

## COVID SAFETY CUSTOMER STATEMENT

Published December 2020

The Corner Hotel is committed to providing a Covid-Safe venue.

We have enacted a Covid Safe Plan enacted, in line with the requirements of the DHHS and the Victorian Government.

Providing a Covid Safe space meant we had to make some changes, and the venue may look a little different from the last time you visited

Here are some of the changes to expect at your next visit;

- Our staff complete a health screening prior to each shift, all contractors sign into the venue
- Each shift there are staff dedicated to cleaning and sanitising high traffic areas and dedicated Management ensuring our compliance with Victorian Government regulations
- Tables will be a safe distance apart
- It's recommended that you wear a mask when using public transport or travelling in taxis/rideshare, they are no longer required in the venue
- You will be asked to check in at the door using a QR Code
- Staff will show you to your table if you have made a reservation
- You will be able to view the menu by scanning your camera over a QR Code on your table
- You can pay using contactless methods, but if you can't, we will accept cash
- If you feel unwell, we ask you not to attend the venues
