

# ■■■■ BANDROOM ■■■■ FUNCTIONS

As one of Melbourne's most iconic live music spaces, the Corner bandroom is renowned for hosting a range of international and local artists over the years. And now, that very space is available for your next event!

Perfect for all kinds of occasions, including large corporate events, product launches, industry days, live music showcases and more, the bandroom offers an event space with a little more zing. Hosting up to 750 guests, the self-contained space is versatile and features a range of extra *bits* to ensure your event is one to remember.

Our friendly functions team are on hand to guide you through the full event planning process and offer assistance in all aspects. As to be expected, we have a carefully curated list of recommended suppliers, from entertainment options including bands, DJ's and comedians, to photobooths, donut walls and more.
